

IVANKA Applied Literature
Concrete experiences based on abstract concepts

Designer: András Rudolf Ivanka, Katalin Ivanka
Year of design: 2010
Material: Ivanka High Performance Concrete
Product code: APP01, APP02, APP03

Description:

The APPLIED LITERATURE is a creation using concrete - and books with a 'concrete' history - in various planimetric surfaces. The absence of the books, due to their various dimensions, form different shapes of various depths and heights. The result concrete structure will not have a final shape, because, by using it, visitors can change the books or remove them.
